THE NINETEEN HUNDRED SIXTY THREE

WESLEYAN COLLEGE

PORPHYRIAN

OWENSBORO, KENTUCKY

I have chatted . . .

over a cup . . .

of coffee in the Snack Bar, and I know what friendship is. I have entered into the festivities of Sadie Hawkins Day, and I know what confusion is.

I have bowed low before Minerva, and I know what tradition is.

I have walked through the grove in late autumn, and

I know . . .

what contentment is.

I have been a part of the classroom and I know what learning is.

I have been swept up into the
spirit of a basketball game and
I know what excitement is.

I have lightened . . .

my feet and heart at a dance

and I know what gaiety is.

I have captured the mood of May Day and I know what beauty is.

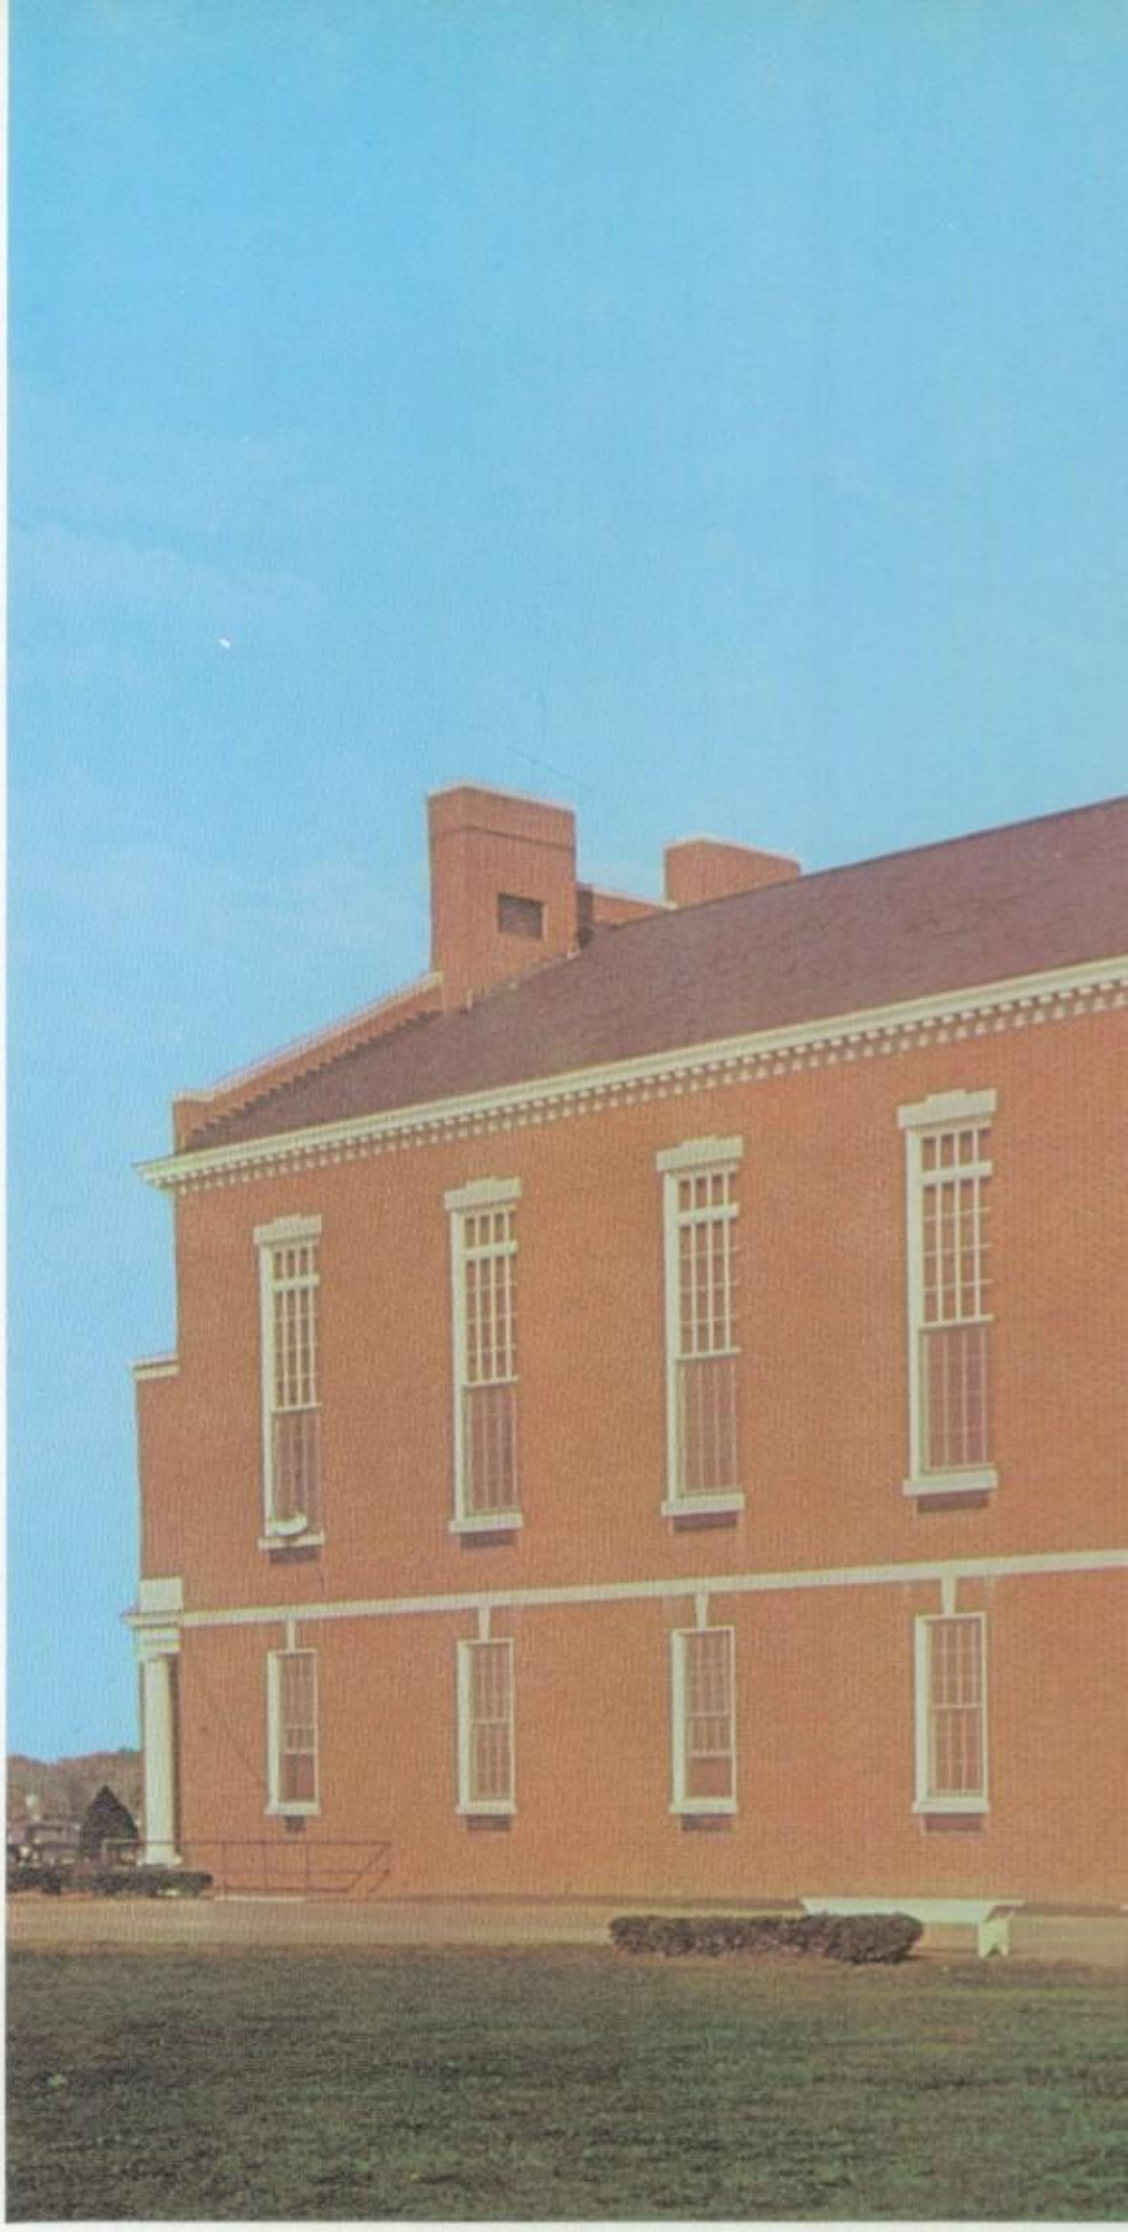
Friendship, Confusion,

Tradition, Contentment,

Learning, Excitement,

Gaiety, Beauty, Peace . . .

All these things I have found at Kentucky Wesleyan. Now . . .



I know what

college is . . .

In Appreciation of

For his leadership in the Crusade for Higher Education.

For his creative work in civic and cultural affairs,

For his Christian humility,

For his noble strength,

For his love and work for Kentucky Wesleyan College,

The *Porphyrian* Staff presents this page of appreciation.

His examples of Love, his words of Truth, his ideals of Honor have been projected into the future and shall live in the life of our college.

For what you are to us, Bishop Walter C. Gum, we honor you.

In Dedication of

Rather than asking to be understood, he is understanding.

Rather than asking to be heard, he listens.

Rather than asking that we love him, he loves us.

He knows that the greatest things in life are those which when shared multiply—whether in the classroom, at forums, or during consultations.

He has shared with us poised individuality and graceful wisdom. Many of us have come to a greater awareness of life and Life because his faith is strong, yet humble.

Shakespeare wrote of one of his characters, "This was a man."

Contemporary Holden Caulfield searched for the "real" man in a world of "phonies."

We need not search. For in Dr. William C. Wesley, we have found a MAN who is the REAL.

KENTUCKY WESLEYAN COLLEGE

OWENSBORO, KENTUCKY

OFFICE OF THE PRESIDENT

Dear Students:

I am pleased to accept the invitation of the Porphyrian staff to inscribe here a brief message. On behalf of our entire College family, I should like to express appreciation to those who worked so diligently and carefully to make this an outstanding record of a good year in which each of us had a definite part. The pleasant and significant experiences of our mutual association in this goodly fellowship will be restored to us in memory each time we turn to this Porphyrian.

It took a large cast and a wide scope of activities to fill these pages, and we are grateful to every person who fulfilled a role, large or small, in the life of our beloved institution this year. May your love and affection for this institution be deepened with the passage of years, so that, in truth, the name of Kentucky Wesleyan College will be cherished forever by her loyal sons and daughters.

Be assured that your College will continue to appreciate you and follow you with great anticipations of your future happiness, usefulness and success. To each one of you, my very best wishes in every respect.

Sincerely yours,

Harold P. Hamilton

GREEKS

Membership in a sorority is one of the most educational and enjoyable facets of college life. A sorority enables the college woman to grow in understanding and respect for ideas and persons not familiar to her, to help others less fortunate than she, to participate in school and community functions, to share ideas, dreams, and unforgettable memories. A sorority is all of these, but most of all, it is sincere friendship.

Membership in a fraternity enables the fraternity man to grow in understanding of his brothers, his college, his community and his world. A fraternity is . . . bull sessions late at night . . . serenades to the women's dorm . . . participation in community projects . . . competition in intramurals . . . discussion of plans, problems and interests. Most of all, it is a brotherhood of friends.

Alpha Omicron Pi

Alpha Omicron Pi Sorority, founded on the principle of love and friendship, had its beginning at Barnard College of Columbia University, on January 2, 1897. On April 25, 1959, Beta Chi Chapter of Alpha Omicron Pi was installed at Kentucky Wesleyan College.

The Jacqueminot rose, the sorority flower, typifies the beauty of friendship and fraternal associations among the members of Alpha Omicron Pi. Beta Chi's motto is "Live Usefully." It is by this motto that we strive to live. Beta Chi has participated in all campus activities; held social parties; and worked for her local philanthropy, the Mary Harding Home.

Sigma Kappa

Sigma Kappa Sorority was founded November 9, 1874, at Colby College, Waterville, Maine. Since this founding date, one hundred and two chapters have been established on college campuses throughout the nation.

Living by the motto, "One Heart, One Way", the members strive for the development of intellectual and social culture, fine character, a well-rounded social life and higher spiritual values.

The Gamma Pi Chapter of Sigma Kappa has had a busy year and has undertaken various projects and activities, selling programs at basketball games, cheering their team on at intramurals and working on displays. Other projects and activities include a local philanthropy at the Rest Haven Nursing Home, the Fall Western Party, the Sock Hop, May Day Sing and the Spring Formal. Gamma Pi was proud to have two of their members chosen for WHO'S WHO and two selected as cheerleaders.

Gamma Pi works together as one in their endeavors with the sincere friendships, loyalty and loving helpfulness that may be found within the bond of continuing sisterhood in Sigma Kappa.

Mystic 13

The Mystic Thirteen Fraternity was founded in the early 1920's by students at the University of Louisville and Kentucky. A chapter was installed on Kentucky Wesleyan's campus at Winchester as early as 1925, thus giving the Thirteens the claim of having the oldest active fraternal organization on campus. The original charter called for a limited membership of thirteen members to be composed of upperclassmen.

A tea for the college women was sponsored by Mystic Thirteen Fraternity in honor of the new pledges.

Sigma Phi Epsilon

Sigma Phi Epsilon was founded in 1901 and today is second in number of chapters, with 161, and seventh in total membership, with over 67,000 active brothers.

Sigma Phi Epsilon offers opportunities for brotherhood and personal development that are unmatched in the fraternity world. It is interested in the kind of individual who will be a credit to his community, his school, his community and himself.

Sigma Phi Epsilon was initiated to Wesleyan on April 11, 1959, as the first national fraternity on campus. In the fall of 1960 it became the first fraternity to have its own house and in the summer of 1962 the brothers moved to their present address, 1616 Frederica.

The college activities sponsored by the Sig Eps this year included the before vacation open house parties for the student body, the annual Sweetheart Dance and the Sorority Pledge Tea. A Community Concert was independently sponsored by Sig Ep at Daviess County High with Dr. John "Knocky" Parker and Hugh Castner at the Jazz Piano. Also, the Sig Eps were present in numbers for the Heart Fund and the Red Cross Drives in Owensboro.

The Gamma Chapter is proud of its accomplishments and of its ability to do what is right ethically, morally and socially in the college and fraternity life.

Our October Party was "Come as You Wish You Were" and was held in the chapter-rumpus room of the house.

ANOTHER YEAR AT KENTUCKY WESLEYAN COLLEGE HAS BEEN COMPLETED, A YEAR FULL OF ENTHUSIASM AND DISAPPOINTMENT, HAPPINESS AND SADNESS, GAYIETY AND ANXIETY. THE PORPHYRIAN HAS TRIED TO INCLUDE ALL THESE PHASES OF COLLEGE LIFE WITHIN ITS PAGES. IN DOING THIS, WE HAVE ASKED FOR THE ASSISTANCE OF MANY PERSONS TO WHOM WE NOW PAY TRIBUTE.

THE VIEW OF A COLLEGE FROM WITHIN ITS OWN WALLS SOMETIMES APPEARS TO BE A NARROW PICTURE OF A SMALL WORLD. IT IS ALL TOO EASY FOR STUDENTS, FOR FACULTY AND FOR ALUMNI TO SIT BACK FROM THEIR WINDOWS, WATCH A LIMITED SCENE AND INTERPRET THE ENTIRE COLLEGE ON THE BASIS OF PEEP-HOLE UNDERSTANDING. IT IS BETTER TO STEP CLOSE TO THE WINDOW WHERE THE VIEW BROADENS. IT IS EVEN FINER TO MOVE OUT INTO THE WORLD OF THE COLLEGE.

THUS THE BEST THING WE CAN DO IS TO PUT OUR SPADE INTO THE TOTAL LIFE OF OUR CAMPUS AND BREAK GROUND FOR THIS OUR COLLEGE. WE, THE PORPHYRIAN EDITORS, URGE EACH INDIVIDUAL TO LOOK WITHIN HIMSELF, FIND THAT CONTRIBUTION WESLEYAN HAS ALREADY MADE TO HIM AND FIND THE DREAM HE HAS FOR HER FUTURE. LET US TRULY BREAK GROUND FOR A GREATER KENTUCKY WESLEYAN.
